

LHstibc®

SECURITY SCREW

Anti-theft design by using special tools

Excellent head design for torque transmission

■ LHSTIX TAMPER-PROOF SCREW

LHSTIX is the anti-theft head design by using special tools.

This is recommended for the products that you do not want consumer to touch and ideal for the black box.

※ Available with tapping screws and the other standard screws can be adaptable.

■ LHSTIX tightening-tool lineup

A full lineup is available for all applications, from manual tighteners to power screwdrivers to automatic tightening machines. The fit between a tool and the screw head is critical to ensure high work efficiency and tightening accuracy. LHSTIX is designed to guarantee the best possible fit.
